

IDEAcademy 2024

Which Path of Discovery will you Embark on?

Are you ready to dive headfirst into a summer of innovation and hands-on learning? Look no further! Our immersive program is designed to empower students like you to take charge, think creatively, and make a real impact on your community. From building helpful robots to coding your first video game, debating public policy to developing your very own start-up business, you'll explore problem-solving from an entirely new perspective.

Apply Today!

Dates:

July 8th-July 26th, 2024

Locations:

- Wayland, MA
 - Wayland High School
- Boston, MA
 - Boston University Campus
